What Is Homeo ERP Software?

What Is Homeo ERP Software?

ERP Software Overview

Our Homeo ERP Software is a specialized tool that goes beyond generic pharmacy or hospital management software in Kerala.

Supply Chain Features

It's engineered with the unique demands of homeopathy medical supply chains in mind — including potency-based pricing, combination tracking, stock expiry, and multi-scheme discounts.

Healthcare Optimization

Built by experts familiar with the healthcare needs of Kerala, this system ensures that your operations are optimized for both efficiency and compliance.

The Key Features of Our Kerala Homeo ERP Software

HIWORTH

The Key Features of Our Kerala Homeo ERP Software

1
Manage Suppliers, Customers & Bulk Buyers

• Whether you're a clinic, a pharmacy, or a wholesale distributor, our software simplifies how you:

• Handle supplier invoices
• Track customer histories
• Serve bulk buyers with custom billing.

2
Track Inventory & Expiry with Ease

• Stay ahead of your stock levels. Our ERP lets you:
   • Monitor real-time inventory across locations
• Receive low-stock and expiry alerts.

3
Potency & Combination-Based Pricing

• Unlike standard hospital management software in Kerala, our ERP is equipped to handle:
   • Billing based on medicine potency (e.g., 30C, 200C)
   • Discounts for specific remedy combinations
   • Flexible pricing models tailored for different buyer types

5

Custom Discount & Promotion Management

- Running seasonal discounts or bulk buyer schemes? Easily configure:
  - Retail or wholesale discount tiers
  - Promotional schemes for specific combinations
  - Potency-based pricing logic
- All pricing is auto-calculated, saving you time and reducing human error.

Payment & Follow-Up Module

- Efficiently track payments through:
  - Cash
  - Cheque
  - Credit management
- Built-in reminders and financial dashboards help you follow up on dues, improving your revenue cycle — essential for busy practices in Kerala.

Frequently Asked Questions (FAQ)

Frequently Asked Questions (FAQ)

Can this software be used as hospital management software in Kerala?

• Yes! While designed for homeopathy-specific workflows, our solution is robust enough to be integrated as part of a full hospital management system in Kerala, especially for departments focused on natural or alternative medicine.

Does it support multi-location businesses?

• Yes — manage multiple branches or counters with centralized control.

Is support available all over Kerala?

• Absolutely. We provide on-site and remote support across Kerala.
